The Court of Appeals affirmed the district court's dismissal of Dr. Irland's petition for judicial review. The Iowa Supreme Court has granted Dr. Irland's request for further review. The Iowa Supreme Court will hear oral argument on the case sometime in the next session. This session ends June 30, 2020.
2. Request for Declaratory Order - Domenico Calcaterra, M.D. - After the Board denied his Petition for Declaratory Order, Dr. Calcaterra sought judicial review. The Board filed a motion to dismiss. Dr. Calcaterra requested a stay of the Board's decision to deny his petition, and for the court to order the Board to remove his disciplinary documents and press releases from its website. The district court granted Dr. Calcaterra's request for a stay, and remanded the petition for declaratory order back to the Board. The Board issued a declaratory order finding that statements of charges are public documents. Dr. Calcaterra has renewed his petition for judicial review of this declaratory order. The district court has set a briefing schedule in this matter and oral arguments will be heard before the court on January 17, 2020.
3. Robinson v. Board of Medicine - David Robinson, M.D., entered a settlement agreement with the Board in 2016. In 2019, the Board terminated the terms of his probation. Dr. Robinson requested that the Board rescind the 2016 settlement agreement, and the Board declined to do so. Dr. Robinson has now sought judicial review of this agency action in district court.
