Your request

I filed a petition and sent it by certified mail. The U.S. Postal Service return receipt shows the DEA signed for it on February 4, 2019. Certified Mail Receipt No. 7017 2680 0000 3373 5200. I have never received a confirmation from the DEA that the petition was received. I have a copy of it online, for your reference. Can you please inform me of the status of my petition? Thank you!

Justification for expedited processing

This is a request for an exemption, which affects the price of medical cannabis products in Iowa, because the manufacturers and dispensaries are being penalized under 26 U.S.C. 280E, among other things. There are also a multitude of federal regulations involved that make it difficult for these patients to receive and use their medicine.
