Dear Mr. Olson:

I am writing at the request of Senator Berl Priebe and Representative Delores Mertz who are developing bill drafts concerning medical marijuana use in the state. I appreciate the information that you have sent over the past few weeks.

The enclosed bill draft was prepared based upon the first materials you sent and does not include the same criteria as the Missouri bill you sent recently. The most obvious difference is inclusion of multiple sclerosis and hyperparathyroidism in the medical criteria used in the Missouri bill.

Please review the enclosed bill draft and call me if you have any comments. Senator Priebe and Representative Mertz are interested in finalizing the drafts.

Sincerely,

A handwritten signature in black ink, appearing to read "John Pollak". The signature is fluid and cursive.
